

QUEENSLAND INSTITUTE OF
DERMATOLOGY

Fee Increase

14th April 2026

Dear Valued Patient,

At QIDerm, we remain dedicated to delivering the highest standard of medical care. We greatly value the trust you place in us, and in keeping with this commitment, we would like to inform you of some upcoming changes to our pricing structure.

Effective from 20th April, there will be an adjustment to the cost of our medical services. This decision has been made with careful consideration, and we would like to provide you with a transparent explanation for why these changes are necessary.

- 1. To maintain and upgrade our facilities, equipment, and technology to meet modern standards**
- 2. To support improvements in patient experience, including expanding capabilities for enhanced services**
- 3. To keep pace with rising operational and compliance costs within the healthcare sector**
- 4. To ensure long-term sustainability of our practice while continuing to deliver safe, effective care**

We would also like to reassure you that these changes are not driven by individual practitioner preferences or increases to personal remuneration. Rather, they reflect the broader operational requirements of running a modern, sustainable medical practice, while ensuring we can continue to deliver safe, effective, and high-quality care to all patients.

We are grateful for your continued trust and loyalty. Your health and satisfaction are our priority. If you have any questions or need further information, please do not hesitate to reach out to our team on 07 3329 4400 or email us at info@qiderm.com.au

Kind Regards,
